The Secretary,
Messrs Lloyds Register of Shipping.
Cardiff.

Dear Sir,

ss "PENTRENT"

Further to our earlier letter this morning, when we advised you that this steamer had been sold, the contract stipulates that permission of Lloyds must be obtained "for a voyage loaded with coals or in ballast at Buyers Option, under her own steamer to an Italian Port."

As advised you the vessel is to be broken up in Italy.

Yours faithfully.

P.S. Please pass us a wire in the morning, as the matter is urgent.
