The Secretary,

Dear Sir,

ss "PENTRENT"

This steamer presently laid up at Avonmouth, has been sold for Breaking up Purposes, delivery in Italy.

The Boiler Survey was completed in June 1932, after which steamer made one round trip to the Levant, and since August last has been laid up at Avonmouth

Under these circumstances, we hope that your Committee will agree to steamer proceeding to Italy for delivery to the Breakers, without the necessity of incurring further expense of the Annual Boiler Survey, which is just overdue.

We shall be glad to have your confirmation, so that we may make the necessary arrangements. *Kindly pass us advise first thing in the morning as the matter is urgent*

Yours faithfully.
