Dear Sirs,

H. I beg to acknowledge the receipt of your letter of the 4th instant intimating that the steamer "PENTRENT" is at present laid up at Avonmouth and that it is your intention to have the Boiler Survey carried out before she is again placed in commission. In reply I have to say that the case has received consideration today and that in the circumstances the Committee will be agreeable to the inspection in question being postponed for the present.

I am, Dear Sirs,

Yours faithfully,
