

2 - MAR 1934

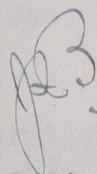

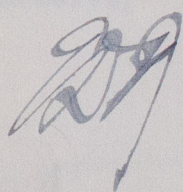

S.S. "RANGOON MARU"

2nd S.S.No.3 due 4,32 - partly held.
Boiler survey due 5,33
T.S. due 4,33

This vessel has been laid up since June 1933, and the Owners have undertaken to carry out all overdue surveys and repairs before she proceeds to sea.

A letter has now been received from the Kobe Surveyors enclosing one from the Owners, the Nippon Yusen Kaisha, returning the freeboard and classification certificates and stating that the vessel is to be broken up at Osaka, the class to be discontinued in February 1934.

It is a matter for consideration whether the class of this vessel might not now be deleted.
