Lloyd's Register of Shipping.

Port LONDON.

17th March, 1932.

This is to Certify that I have
Surveyed the Steel Twin Screw Steamer "FERNDALE", of London,
whilst lying in the King George V Dry Dock, London, on the
12th March, 1932, for damage to bottom, cause not known,

and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report, stating that all repairs
recommended by me have been completed to my satisfaction, and
continued as classed
that I have Recommended that she be
in the Register Book, subject to indented bottom plates etc.
at aft end on port side being permanently dealt with at first
convenient opportunity,

dry and perishable cargo,
being fit to carry

James B. Butler

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that :—

"While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society."
