71, Fenchurch Street, E.C. 3.

6th February, 1924.

Dear Sirs,

With reference to your report No. 11705a on the Steamer "SUNTEMPLE", I have to acquaint you that it would appear that in addition to the items mentioned in the report as remaining to complete the survey for classification in this case, the holds and tween decks require to be examined, the ceiling lifted and the plating in way of side lights examined, but I shall be glad if you will kindly state whether this is so.

I should add that the remarks contained in your letter of the 24th ultimo relative to the fees to be charged in this case are noted, and I have to say that the question of the inclusive fee to be charged in this instance will be considered on completion of the classification survey.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

SOUTHAMPTON.
