Classed 100A1.

Plans of proposed oil fuel piping arrangements and arrangement of settling tanks were approved on the 28th ultimo.

The Rotterdam Surveyors have now forwarded duplicates of these plans for consideration together with a plan of the details of the settling tanks.

IT IS SUBMITTED that the plan of settling tanks merits approval provided the tanks be constructed as shewn and amended on the plan and <sup>UNDER</sup> the usual conditions of survey and testing.

The Rotterdam Surveyors should be informed accordingly that the plans of arrangements of oil fuel piping and settling tanks have been previously approved in the Secretary's letter "E" of the 28th ultimo, a copy of which was forwarded to them on that date.

The Rotterdam Surveyors should be requested to forward copies of the plans approved in the Secretary's letter <sup>"E"</sup> of 28.10.24 embodying the amendments for reference in this Office.

Return 1 approved plan & 4 plans unstamped.  
Retain copy of approved plan.
