NO. 573/09.

Sir,

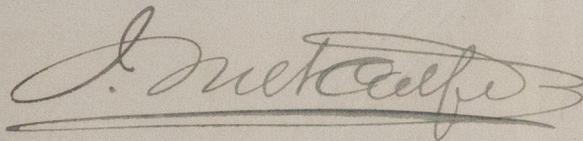

I have to acknowledge receipt of your cable this morning in reply to one sent regarding the question of the testing of the cross bunkers of the Steamer "NIAGARA", as follows:-

"Niagara scripla (cross bunkers) originally tested
"if coal has been carried sclingo (requires to be tested)
"again before carrying oil."

In accordance with this cable the Standard Oil Co. have been notified of this requirement, and the tank will be tested before oil is put into it.

I am, sir,

Your obedient Servant,

A. Scott, Esqr.,
