Received from Chief Ship Surveyor

VESSEL'S NAME steel S.S. "SPLENDOR" Rpt. N.Y.K. No 11457

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/22.)

Nature of Survey Repairs on off installation

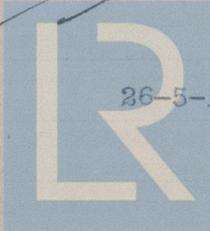

The class of this vessel is subject to a new tiller being fitted on the vessel's return from her present voyage to America.

The New York Surveyors now report that a new tiller has been fitted.

It is submitted the vessel appears worthy to remain as classed without record of survey and without special condition.

As now without etc.
