18th December, 1905.

Sir,

S. With reference to your letter of the 9th instant enclosing one from Mr. Bradley respecting a new length of cable for the steamer "HEREFORDSHIRE", I have to acquaint you that in the circumstances mentioned the vessel's class has been assigned by the Committee, viz:- 100A1, on the understanding that the new length of cable will be submitted for examination as required on the steamer's return from her present voyage.

The first entry certificates have accordingly been sent to the Belfast Surveyors.

I am, Sir,

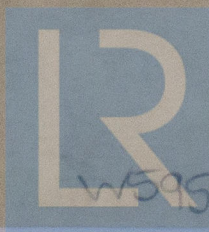

Your obedient Servant,

Secretary.

R. Williamson Esq.,

LIVERPOOL.
