To the Principal Surveyor
Liverpool

Sir

Referring to the letter
dated Nov 29th 1905 received from the
Society's Surveyor at Belfast regarding the
equipment of the S/S 'Storfordshire' No 17
in the Register Book, I have to acquaint
you that the new length of Chain Cable
required was only delivered just before
sailing, and no opportunity was given to
examine same. The Superintendent states
that the Cable will be submitted for
examination on the vessel's return from
present voyage. I am, Sir
