71, Fenchurch Street, E.C. 3.

9th September, 1930.

Dear Sirs,

I have to inform you that the Twin Screw Steamer "HEREFORDSHIRE" is proceeding to your Port where it is stated the Boiler Survey will be completed. To complete the survey and entitle the vessel to fresh record of B.S. 9,30, the Double Ended and the Centre After Single Ended Boilers remain to be examined in their entirety and all the safety valves adjusted under steam. I shall be glad therefore, if you will kindly give the case the necessary attention.

I may add that no part of the fee is being charged from this Office.

I am, Dear Sirs,

Yours faithfully,

A. R. Riddell

The Surveyors,

BARBY.
