Dear Sir,

H.

I have to acquaint you that the Society's Surveyors at Hull have examined the steamer "GRACE" afloat in accordance with the terms of Circular No. 1605 and have issued a certificate recommending her as being fit to proceed in tow to Alloa to be broken up at the conclusion of the voyage. In the circumstances I shall be glad if you will keep the case in mind and advise me as soon as the work of demolition is commenced.

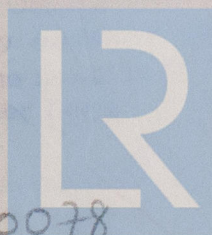

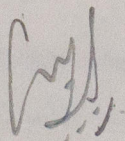

I am, Dear Sir,

Yours faithfully,

The Secretary,

Clerk to the
