19th March, 1934.

Dear Sirs,

With reference to the classification in the Society's Register Book of the steamer "CACIQUE", which vessel has been laid up at Seattle under the usual undertaking, I have to acquaint you I am in receipt of a report from the Seattle Surveyor from which it appears that the 2nd Special Survey No.2 has been completed and the Boiler Survey held.

The Surveyor has been informed that the vessel has been sold to ~~Ku~~akasu Gomei Kaisha of Yokohama to be broken up, and as she appears to have arrived in Japan, I shall be glad if you will give the case attention and advise me immediately the work of demolition is commenced.

I am, Dear Sirs,

The Surveyors,

Yours faithfully,

KOBE
