ANS<sup>d</sup>

4th March 1910.,

The Secretary,  
L O N D O N.

Sir,

In reply to your letter of yesterday's date respecting the missing machinery classification certificate of the new steamer "CACIQUE" we beg to state that the certificate in question was not found with your classing letter of the 18th ultimo, but attention was not called to the matter as it was assumed that the document had probably been sent with the hull certificate to Sunderland. It is regretted that the printed advice form at the head of the classing letter was overlooked,

We are, Sir,

Your obedient servants,  
pro the Surveyors,
