The Secretary,

London.

Dear Sir,

I am in receipt of your letter of the 25th instant in reference to the Steamer "CACIQUE" built by Messrs. Short Brothers in 1910.

I enclose herewith a copy of the working plan to which the Girders and pillars were built which gives details of the various connections and supports.

I thought this would be of more service to you than amending the approved plan to be in accordance with what was actually fitted. The approved plan of girders and pillars is enclosed herewith.

I am, Dear Sir,

Yours faithfully,

*L. S. Ashman*
