The Secretary,  
London.

Dear Sir:

In reply to the inquiry contained in your letter of the 26th ult. in connection with the Steamer "CACIQUE", I have to acquaint you that, on taking this matter up with the owners, they stated that the vessel has now been taken over by the Navy Department, and they are not in a position to say when the extending of the pillars at the sides of the hatchways can be carried out.

I am, Dear Sir,

Yours faithfully,

Secretary to the  
American Committee.
