

C O P Y.

26th July, 1918.

Dear Sir,

S. With reference to my letter of the 12th ultimo, respecting the case of the steamer "CACIQUE", I have to say that the San Francisco Report No. 2732 has now reached this Office, and that it would appear therefrom that the recommendations contained in the above-mentioned letter have already been partially complied with.

In the circumstances, I shall be glad if the Surveyors will consult with the Owners of this vessel, with a view to extending the ^{pillars}boilers now fitted at the sides of the hatchways from the upper to the shelter deck at Nos. 1 and 4 hatchways, and from the 2nd deck to the shelter deck at Nos. 2 and 3 hatchways.

I am, Dear Sir,

The Secretary,
NEW YORK.

Yours faithfully,

Secretary.
