Dear Sir:-

I have to acknowledge receipt of your letter of the 8th instant, referring to the case of the Steamer "Cacique," and have to state that this Vessel was in collision in the River Delaware, with the Steamer "Jonancy" of Boston. The "Cacique" was placed in Dry Dock for examination at this Port, and later left for New York, for the execution of repairs. I also have to state, that the Steamer "Jonancy", also sailed for New York for the necessary repairs on account of damage, and the New York Surveyors, have been so advised.

Yours very truly,

Harbert
