16th September, 1910.

Dear Mr. Mathieson,

I have your letter of the 6th instant and I note your remarks regarding the proposed new vessels for your Company.

I am very glad indeed to note that whatever ships are built will be classed with us and can only repeat that, as you are aware, we shall be only too pleased to put our services at your disposal and to render you any assistance possible in the preparation of the plans or in any other way.

At the same time I note your remarks regarding the "CACIQUE". We have had a long report on the subject confidentially from one of our Surveyors at New York and we are looking into the matter and having some calculations made. I will let you know the result later on when these are completed.

With kind regards,

Donald Mathieson, Esq.,
Messrs. W.R. Grace & Co.,

NEW YORK.

Yours very truly,
