No. 4597

the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

ment to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also
out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points
in the endorsement."—Extract from Sub-Committee's Report, 24/5/02.

The 3rd S.S. No.1, due 4.31, has been partly held.

The class is subject to heavy weather damage being permanently

red at the first convenient opportunity.

The Yokohama Surveyors now report that on account of damage

ough heavy weather the vessel has been examined afloat and repairs effected
earing gear, lifeboats and deck fittings.

The special survey has not been advanced.

It is submitted the vessel appears worthy to remain as classed
ut record of survey and without special condition.
