ENCLOSURE.

13th September, 1939.

Dear Sir,

H.

Reverting to previous correspondence respecting the Dredger "BALBUS", which is understood to be still laid up at Singo Chaung, I have to acquaint you that this case has received the further consideration of the Committee in view of the year of grace for the Special Survey having now expired. For your information I enclose herewith a copy of a letter which has been addressed to the Owners on the subject of the vessel's classification.

You will be good enough to notify me promptly should any steps be taken to put this vessel into commission before submitting her to the outstanding survey.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.

R.P.R. Taylor, Esq.,

RANGOON.
