Dear Sir,

H.

I beg to acknowledge the receipt of your letter of yesterday's date respecting the Dredger "BALBUS", and with regard thereto, and to our recent conversation on the telephone regarding this case, I may say that a copy of the letter addressed by your Rangoon friends to the Society's Surveyor at Rangoon on the 30th ult. had already been sent to this Office by the Surveyor.

The Committee had the matter of the Special Survey No.1 under their consideration at a recent meeting, and have agreed to this inspection standing over while the Dredger is laid up.

I may add that the Rangoon Surveyor has been notified accordingly and requested to acquaint your local Representatives of the Committee's decision.

Trusting that you will find this satisfactory,

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
