I have to acknowledge the receipt of your letter of the 5th instant enclosing one from the Owners of the Dredger "BALBUS", from which it is noted that they desire to defer the Special Survey No.1 as the vessel is now laid up at Singu Chaung.

In reply, I have to say that the Committee, who have had the case before them at their meeting today, are agreeable to the inspection in question standing over so long as the vessel is laid up.

I shall therefore be glad if you will inform the Owners accordingly.
