

Non-propelling Cutter Suction Dredger built by Messrs. W. Simons & Co., Renfrew, and shipped to Rangoon for re-erection.

-----

In reply to enquiry the Glasgow Secretary states that this vessel is to be re-erected in Rangoon under the Special Survey of this Society.

It is submitted the Rangoon Surveyor might be authorised to carry out the Special Survey during re-erection of this vessel, and that he be furnished with the approved plans and a copy of the First Entry Report for his guidance.
