

S.S. "Speedonia"

Plan of Propeller Brackets submitted
in duplicate by the Rotterdam Surveyors

It is submitted that provided
the brackets be made as shown
and amended on the plan and
to the Surveyors satisfaction the
same will merit approval.

The castings should be made
and tested as required by the
Rules.

One copy of the approved plan
to be return in this office for
record

Return one plan of shafting.
