Dear Sirs,

M.

With reference to the plans handed in at this Office by your Representative, showing a proposal to convert the four masted Barque "SPEEDONIA" into a Steamer for the carriage of Petroleum in Bulk, I beg to acquaint you that the scantlings and arrangements which could be recommended to the Committee for approval for the proposed service have been indicated on the plans, and these plans have been taken away by your Representative with a view to fresh plans being prepared for consideration.

I shall be much obliged if you will kindly return the plans now dealt with when the new plans are forwarded.

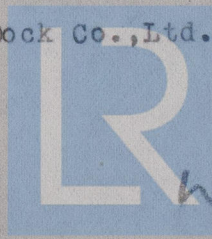

I am, Dear Sirs,

Yours faithfully,

Secretary.
