Survey Due 2nd Special Survey No. 2 due 3,34.  
Boiler Survey due 2,34 - Partly held 4,34 - S.V.s. to adjust.

In March last the Marseilles Surveyors stated this vessel was laid up at their port, and, although the vessel might be required to make one or two voyages to North Africa at short notice, the Owners desired to postpone the Special Survey until such time as she was again being fitted out for regular service. In the circumstances the Committee agreed to this arrangement.

In April last the Marseilles Surveyors were informed that the Boiler Survey would be completed before the steamer was again placed in commission. P.T.O.

"SIDI FERRUCH".

-2-

The Marseilles Surveyors wrote on the 6th ultimo that the vessel was still laid up at their port and was for sale, and in the circumstances the Committee deferred further consideration of the case for a time.

The Marseilles Surveyors now write they have been informed that the vessel has been sold to Ditta A. Trivero, 5, Via Peschiera, Genoa, to be broken up, and that she will be leaving Marseilles for an Italian port as soon as the sale formalities have been completed.

*Submitted action be deferred, the Genoa Surveyors advised & requested to inform this Office when the work of demolition has been commenced.*
