Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

24th May, 1934.

Dear Sirs,

In compliance with a request received from Messrs. C. W. Kellock & Co., Ltd., of this City, relative to the steamer "SIDI FERRUCH", I beg to inform you that the First Entry reports on this vessel, which was built under the Special Survey of this Society, show that the construction was commenced in January, 1913, and proceeded continuously during that year, the vessel being launched during the December quarter, the exact date not being known.

The Survey went on continuously until the 5th February, 1914, and in accordance with the usual practice of this Society at that time the year 1914 was recorded in the Society's Register Book and on the certificates of classification as the date of build.

The dates of issue of the interim certificates issued by the Society's Surveyors at Antwerp on the hull and machinery of the vessel were the 3rd February, 1914, and the 6th February, 1914, respectively, the date of the last visit on the hull and the machinery being in each case the 5th February, 1914.

I am, Dear Sirs,
Yours faithfully,

Messrs. Societe Generale
de Transports Maritimes
a Vapeur,
20, Rue de la Republique,
MARSEILLES.
