

24 MAY 1934

T.S.S. "SIDI FERRUCH".

It is submitted Messrs. C.W.Kellock & Co.Ltd. might be informed that the First Entry Reports on this vessel, which was built under the Special Survey of this Society, show that the construction was commenced in January 1913 and proceeded continuously during that year, the vessel being launched during the December quarter (exact date not known).

The Survey went on continuously until the 5th February 1914, and, in accordance with the usual practice of this Society, ^{at that time} the year 1914 was recorded in the Society's Register Book and on the certificates of classification as the date of build.

The dates of issue of the interim certificates issued by the Society's Surveyors at Antwerp on the hull and machinery of the vessel were 3rd February 1914 and 6th February 1914 respectively, the date of the last visit on the hull and the machinery being in each case 5th February 1914.
