REC'D  
ANCE 19

Sir,

With reference to your application of the 4th instant, I am directed by the Postmaster General to inform you that, as an official message was received from Odessa stating that the address of the telegram in question was not registered, he would not be warranted, on the evidence at present in his possession, in making enquiry abroad on the subject of your complaint.

If, however, you can furnish a statement from the addressee that "Register Odessa" was a registered telegraphic address on the date of the telegram in question, the Postmaster General will pursue the matter further.

I am,

Sir,

Your obedient Servant,

*K. H. Halswell*

for the Secretary.
