

14. 2. 14.

Received from Chief Ship Surveyor

11. "Izar Michael Theodorowicz" Rpt.

Ant. No. 10603

Ship Surveyor are desired on this case for the consideration of the Classing Committee.

in a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also exceptional features in connection with the case, so that the Classing Committee may have all the salient points of the case. —Extract from Sub-Committee's Report, 24/5/92.

First Entry

It is submitted that before this case receives the opinion of the Committee the Antwerp Surveyors should be asked to state, in view of their having reported the sizes of the cables and warps as approved for flexible steel wire, whether the sizes are as given on the report or whether they are in accordance with the footnote on Table 31 of the Rules.
