Dear Sir,

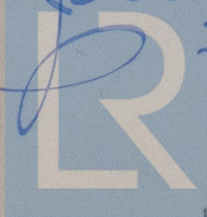

Reverting to your memorandum letter of the 23rd. instant respecting the steamer "SIDI FERRUCH", we beg to acquaint you that, since writing to you on the 29th. instant, the Owners have decided to carry out the Boiler Survey within the next fortnight as, although the vessel is laid up indefinitely, she may be required to make one or two voyages to North Africa at short notice. Our report will accordingly be forwarded to you in due course.

The fitting of the oil burning installation, referred to in our Report N° 8374, ~~is not contemplated now~~ that the vessel is laid up, and the Owners state that they will be glad if the Committee will agree to the postponement of the 2nd. Special Survey N° 2 until such time as she is being fitted out again for regular service.

We are, Dear Sir,
Yours faithfully,
The Surveyors,

The Secretary,
London.
