

Lloyd's Register of Shipping.

Port

LONDON.

18th December, 1933.

This is to Certify that I have
 Surveyed the Steel Screw "LUFFELL", 274 tons gross, of London,
 as she lay afloat at Purfleet on the 18th December, 1933, on
 account of damage stated to have been caused by grounding and
 colliding with the Quay at her berth in Guernsey on the 13th and
 14th December, 1933,
 and that I have transmitted to the Committee of Lloyd's
 Register of Shipping, London, a Report, stating that all repairs
 recommended by me have been completed to my satisfaction, and
 continued as at present
 that I have Recommended that she be
 classed without fresh record of survey, subject to the vessel
 being specially examined in dry dock at Owners' convenience,

petroleum in bulk.

being fit to carry

W. Kimber

Surbeyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
 "While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society."
