

This question has been discussed on the phone with Mr. Rogers who stated that the information required related to the Annual Surveys. The position was explained to him and he suggested that a letter might be sent to Messrs. Harris and Dixon regarding the matter.

It is submitted Messrs. Harris and Dixon be informed that the Instructions to Surveyors are contained in Board of Trade Circular No. 1687, paragraphs 114-117, a copy of which might be sent to them, and that the Society's Surveyors are required to be guided by the instructions contained therein.
