

s.s. "LA CRESCENTA".

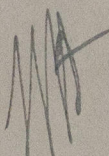

---

It is submitted Messrs. Harris & Dixon be informed that an Annual Freeboard Survey was held at Yokohama on 23rd October 1934, but a new certificate was not issued on that occasion and there is no evidence that the freeboard marking was verified.

A copy of the report might be forwarded to them and they should be advised that a copy has already been issued to the Board of Trade in connexion with the forthcoming Inquiry.

13.5.35.

La Harris Dixon 14/5.
