Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

12th November, 1935.

Dear Sirs,

M. I duly received Mr. Moffitt's letter of the 9th instant respecting the forth-coming Enquiry into the loss of the Tanker "LA CRESCENTA", and I note that he has been served with a subpoena to attend the Enquiry which commences on the 18th instant.

With regard thereto, however, I have to state that Mr. Moffitt will receive instructions in good time from this Office as to the exact date when his evidence will be taken, and these instructions should be awaited.

In reply to his further enquiry I have to state that when his evidence has been given and his services are no longer required at the Enquiry, he will be at liberty to take the remaining week of his summer holidays, as desired, provided the duties of the Port will allow of this being done without requiring assistance from any other Port.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

FALMOUTH.

Secretary.
