Dear Sir

With reference to the forthcoming enquiry into the loss of the SS "La Crecenta", I have to inform you that I have been served with a summons to attend the enquiry on the 18th inst.

The summons was served through the local Receiver of Wrecks who was instructed by the Solicitor to the Board of Trade to pay Railway fares and Subsistence for a period of two days.

He was also instructed to inform me verbally that my presence would not be required at the opening of the enquiry and that due notice would be given as to the day on which I should attend.

W604-0194

by considering the matter, I think
it will be of great benefit if
I am able to attend the enquiry
from its early stages, and submit
that I may be granted leave
to attend accordingly and that
the remaining week of my Summer
Holidays may be taken at the
conclusion of the enquiry.

I am Dear Sir
Yours faithfully
R Moffatt

The Secretary.
