FOR LONDON.

8th November, 1935.

Dear Sir,

I regret to inform you that Mr.R.O.Batchelor is confined to bed with acute rheumatism and according to his Medical Adviser is unlikely to return to duty for another five or six weeks. In the circumstances it would appear that he will be unable to attend the Inquiry which it is intended to hold at the Institution of Civil Engineers in connexion with the loss of the steamer "LA CRESCENTA".

I am, Dear Sir,

Yours faithfully,

Secretary to the
Liverpool Committee.

The Receiver of Wrecks.
Custom House,
LIVERPOOL.
