Dear Sir,

M. I beg to acknowledge the receipt of your letter of the 17th instant respecting the S.S. "LA CRESCENTA", and in reply thereto I am directed to state that the fracture referred to by the Society's Surveyor at Falmouth in September, 1928, is the same fracture which is referred to by Mr. Munro at Barry in September, 1930, the apparent difference being only a difference in terms used.

If further confirmation is desired regarding this matter, I shall be much obliged if you will kindly forward a copy of the shell expansion plan referred to by you, as there is no shell plan in this Office.

I am, Dear Sir,

Yours faithfully,

Secretary.
