ENCLOSURE.

16th September, 1935.

Dear Sir,

M.

Reverting to my letter of the 19th ultimo regarding the case of the S.S. "LA CRESCENTA", I beg to acquaint you that, as promised, a communication was addressed to Mr. H. Jasper Cox, the Society's Principal Surveyor for Japan, who now forwards a letter from Mr. A.E. Munro regarding the electric welded repair to the shell plate E4 from aft, which he attended to in September 1930 at Barry.

I do not think I can do better than enclose a copy of the letter from Mr. Munro, which furnishes all the information he is able to forward.

I am, Dear Sir,

Yours faithfully,

Secretary.
