Dear Sir,

M. I have to acknowledge the receipt of your letter of the 15th instant requesting to be furnished with copies of reports, &c. in connexion with the Enquiry into the loss of the Steamer "LA CRESCENTA", and the contents have been duly noted.

The preparation of the copies in question will be taken in hand at once, and these will be forwarded as soon as possible.

It is noted that some of the Society's Surveyors will be required to attend and give evidence, also that Mr. Watt will be required to produce original reports and also give evidence, and these Surveyors will be duly advised.

Copies of the reports will also be furnished to the Society's Solicitors, Messrs. Parker, Garrett & Co., and it is noted that the Board of Trade will furnish them with copies of all the documents which the Board propose to put in evidence at the hearing, and also of the questions.

I am, Dear Sir,

Yours faithfully,
