S.

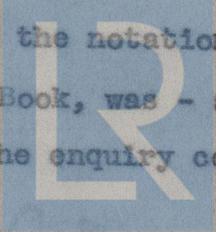

I beg to acknowledge the receipt of your letter of the 16th instant, respecting the enquiry which is to be made in connexion with the loss of the above vessel, and may say that any help that it is within the power of this Society to afford will readily be given.

I have at the same time to thank you for your offer to render any assistance you can to the Society's Solicitors, Messrs. Parker, Garrett & Co. in their preparation of the case.

In compliance with your request I now have pleasure in enclosing photographic certified copies of the reports dealing with the last Special Survey of the vessel and all subsequent surveys, as detailed hereunder.

With reference to your statement that the last Special Survey took place in November, 1933, I think it well to point out that the Special Survey No.2 in question was commenced at Barry in September, 1930, and was completed at Falmouth in 1932, and that the notation assigned, as recorded in the Society's Register Book, was - s.s. Bry. No. 2-30.
