The Secretary,  
LONDON.

Dear Sir:

"LA CRESCENTA"

In reply to your letter of April 17th, 1935 with reference to the above vessel.

I enclose statement from Mr. F. S. Dupuy who went up to Port San Luis to survey the boiler and adjust the safety valves. I was up at Port San Luis two days previously on the "ATHELKNIGHT" and as the "SILVERPALM" was in on Wednesday 21st of November with a bad breakdown of the Port Engine, Mr. Dupuy was requested to carry out the survey on the S.S. "LA CRESCENTA".

Yours very truly,

*W. J. Alderson*
