In reply to inquiry the Owners stated that in consequence of casualty the above trawlers were expected to become total losses.

The cases were submitted to the Committee, who decided to make records of "STRANDED" against their names in the Register Book, which automatically expunged all particulars of classification.

I shall be glad if you will kindly ascertain and let me know whether the vessels have now been definitely abandoned as total losses by all concerned.

Date:- 20th February, 1935.

The Owners inform us that both these vessels have definitely been abandoned as total losses.
