# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

18th December, 1934.

Dear Sir,

R. With reference to the Steam Trawler "MACLEAY", which is reported to have stranded at the entrance to Miofjord, Iceland, on the 29th October last, I am directed to say that the Committee will be much obliged if you will kindly favour them with the latest information which you have received as to the extent of damage, prospects of salvage, &c.

The question of making a record of the casualty against the vessel's name in the Register Book will shortly come under the Committee's notice, and it is the practice in cases where it is thought necessary to make such a notation, to expunge at the same time the vessel's class from the Register Book. I shall be glad if you will kindly apprise me for the Committee's information of your views on this point.

I am, Dear Sir,

Yours faithfully,

Sir John D. Marsden, Bart.,  
Manager,  
The Consolidated Fisheries, Ltd.,  
Auckland Road,  
Fish Docks,  
GRIMSBY.

Clerk to the  
Classification Committee.
