ed by Chief Ship Surveyor.....

Received from Chief Ship Surveyor.....

EL'S NAME Steel Trp. S.S. "DEMOSTHENES" Rpt. P.N1. No. 2056

e remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—*Extract from Sub-Committee's Report, 24/5/32*).

of Survey

The Port Natal Surveyor reports an examination made on account of the coal in the forward cross bunker becoming overheated and a minor damage sustained.

It is submitted the vessel appears worthy to remain as classed without record of survey.
