Ref. R.

Dear Sir,

m.v. "HIGHLAND HOPE".

We are this morning in receipt of your letter of yesterday's date having reference to the above vessel. While it is true that she has been wrecked near Farilhoes we think it is just a little premature to make any record in the Society's books. We have abandoned her to underwriters but we understand they are still doing some work in connection with her. Should it, however, be the wish of the Committee to make the suggested record in the Register book we could not raise any objection.

Yours faithfully

Wm. R. Wood
