201 Tower Building

Liverpool, 3. 10th June, 1933.  
13th June, 1933.

Dear Mr. Hatton,

As I understand from the letter which I received from Mr. Keith, dated 9th instant, that he is now away on holiday, I take this opportunity of sending you a note to say that his letter of the 10th instant regarding the interview which he has had with Mr. Wilkie relative to the survey held on the forward boiler of the Twin S.S. "ABINSI" has been duly noted and that I have entered on Liverpool report No. 102246 the fee of £1 which has been charged for the survey of this boiler.

With kind regards,

Yours faithfully,

L.R. Hatton, Esq.,

LIVERPOOL.
