Dear Sirs,

I beg to acknowledge the receipt of your letter of H. the 9th instant respecting the steamer "ABINSE", and in reply I have to say that in view of your intimation that this vessel is still laid up and that it is not your intention to commence the 2nd Special Survey No.3 yet, the Committee, who have had the case before them at their meeting today, are agreeable to the inspection in question being postpone for the present.

I think it well to remind you that the Boiler Survey and the survey of the starboard screwshaft will require to be held before the steamer is again placed in commission.

I am, Dear Sirs,

Yours faithfully,

Copy to Liverpool.
